LEHMAN, TURNER, RYBA, AINSWORTH, BALOW, MUSSER, COGGS, KAUFERT and KREUSER, cosponsored by Senators BURKE, HANSEN, WIRCH, DECKER and PLACHE. Referred to Committee on Labor and Workforce Development.

1 **AN ACT** *to amend* 66.0903 (10) (a) and 103.49 (5) (a); and *to create* 103.50 (6m)
2 of the statutes; **relating to:** public inspection of the payroll records of
3 contractors, subcontractors, and agents performing work on those projects.

Analysis by the Legislative Reference Bureau

Under current law, certain laborers, workers, mechanics, and truck drivers employed on a state or local project of public works must be paid at the rate paid for a majority of the hours worked in the person's trade or occupation in the county in which the project is located (prevailing wage law). This bill makes certain changes relating to public inspection of the payroll records of a contractor, subcontractor, and contractor's and subcontractor's agent performing work on a project that is subject to the prevailing wage law.

Specifically, under current law, each contractor, subcontractor, and contractor's or subcontractor's agent performing work on a project that is subject to the prevailing wage law must keep copies of payrolls and other records and information relating to compliance with the prevailing wage law and, on demand of the department of workforce development (DWD) or, in the case of a state highway project, the department of transportation (DOT) must furnish those records and information to DWD or DOT. This bill requires a contractor, subcontractor, or contractor's or subcontractor's agent performing work on a project that is subject to the prevailing wage law, on the request of any person, to permit that person to inspect and copy any of those records to the same extent as if the record were maintained by DWD or DOT and subject to the open records law, except that the bill requires the contractor,

subcontractor, or contractor's or subcontractor's agent to delete any personally identifiable information contained in the record about the laborer, worker, mechanic, or truck driver who is the subject of the record before permitting inspection and copying of the record.
